Dear Media Friends,

We are pleased to welcome you to the 17th Annual Las Vegas Antique Jewelry & Watch Show. This year the show has a NEW location and will be at the Paris Las Vegas in the center of the strip. Since its inception, The Las Vegas Antique Jewelry & Watch Show has become a valuable exhibition to both buyers and retailers who deal in antique, estate and vintage jewelry and watches.

As the largest trade show in the US focused on this unique segment of the jewelry industry, with more than 300 dealers in attendance, this event has become a must see for more than 5,000 buyers during jewelry week in Las Vegas. Each year the show runs concurrently with the JCK show and, this year, opens one day earlier. The extensive breadth of merchandise combined with its low cost of entry makes this show popular with serious jewelry buyers and collectors.

As antique jewelry and watches continue to rise in popularity with famous celebrities and socialites, this event offers buyers and retailers the opportunity to purchase unique pieces from all periods throughout jewelry history. Signed pieces from famous names such as A. Cipullo, Bulgari, Van Cleef & Arpels, Harry Winston, Tiffany & Co, Patek Philippe, David Webb and many more will permeate the show floor. Fancy colored diamonds, rare gemstones, pocket watches, cameos, necklaces in a wide variety of lengths, unique cuff bracelets, rings and even hatpins can be found during this four day event.

No where else in the world can buyers find such an amazing and extensive selection of rare and unique antique jewelry and watches in one location. I sincerely hope that you will enjoy your time at the show. Please do not hesitate to contact me, or any of my staff, should you have any questions.

Sincerely,

Andrea Canady
