Material Handling is the unloading and delivery of exhibit freight to the exhibitor's booth on the show floor, the storage of empty containers, the return to booth for packing, and the loading back onto the exhibitor's outbound carrier. Material Handling is an automatic service and billed based on weight.

Outbound Shipping

It is the responsibility of each exhibitor to arrange for transportation of booth materials after the event. Freeman Representatives are available pre-show, during the show, and during move-out to assist you in arranging outbound shipping. Every outbound shipment will require a material handling agreement and shipping labels. Freeman can prepare these for you and deliver them to your booth prior to show close.
